The Wonder of Creation

When we look at the wonder of creation, it is apparent that God is a good gardener. From the will of God, the earth brings forth abundant and varied forms of life. In the story from Genesis, we are invited into the garden and given the task of caring for it. Taking care of creation is a moral obligation for us. Our care for plants, animals, and one another reflects our cooperation with God's plan.

In what practical ways do I care for creation? (Pray to God using these words or those of your own.)

God of creation, cultivate in me a love of your creation. Help me to understand that you want me to care for the world you made and for all living things in it. Amen.

EXAM SEASON students and parents are invited to fill in a yellow prayer intentions slip at the back of Church. Parishioners are asked to take a completed slip and prayer card to pray for the young person over the coming weeks. **Lord Jesus, in this examination season give to our young people the peace of mind and the eloquence to express what they know rather than to worry about what they don't. Amen.**
