### Reflection:

The Sadducees are not so different from some of us at times.

We too can make the mistake of thinking about Heaven and the salvation of God in earthly terms. Christ is telling us that the life He brings is not like anything we can ever experience on earth. The glory God has in store for those who believe in Him is way beyond our imagining.

Let us not waste time trying to wonder at what Heaven may be like. Let us, instead, live out our faith well thanking God for that faith as we rejoice in the truth that **He is God, not of the dead, but of the LIVING** and that to God, all peoples are in fact alive. With this thought we should comfort ourselves and one another during this month of November as we pray for those who have gone from this life.
