## Reflection

## Perhaps if we really Believed:

I will not die an un-lived life.

I will not go in fear

Of falling or catching fire.

I choose to inhabit my days,

To allow my living to open to me,

To make me less afraid,

More accessible,

To loosen my heart

Until it becomes a wing,

A torch, a promise.

I choose to risk my significance

To live.

So that which came to me as seed,

Goes to the next as blossom;

And that which came to me as blossom,

Goes on as fruit.

(Dawna Markova).
