## Reflection:

God's call to each person is individual. Some he invites to lay life, some he calls to priesthood and religious life. Priesthood is a gift of God to his people to enable us, as a community, to share fully in the Eucharist and through it to grow in an awareness of God's presence in every aspect of our lives. It is not given for the priest himself, but is a gift given for all through one individual. The world sees such a call as foolhardy and futile. To a person of faith, the call is one of love and mutual trust. We pray that God's call may be answered in many hearts.

**'The Joy of Love** experienced by families is also the joy of the Church. At the Synod Fathers noted, for all the many signs of crisis in the institution of marriage, "the desire to marry and form a family remains vibrant, especially among young people, and this is an inspiration to the Church". As a response to that desire, "the Christian proclamation on the family is good news indeed"

- 2 *Please use your Booklet which you will receive at the Church door during the ceremony and bring it home with you afterwards as a souvenir.*
- 3 *Sponsors have an important role in supporting the children in the practice of their faith. At the moment of Confirmation the sponsor places the right hand on the shoulder and the left hand on the head of the candidate as a sign of support and encouragement.*

### CARE OF CREATION CORNER

Our planet went through a dramatic change in February of this year. Climate experts revealed that it was the warmest month in recorded history. An unprecedented heating of our world is now under way. Meteorologists predict that this year is destined to be the hottest on record, warmer even than 2015. 'This is an absolute warning of the dangers that lie ahead,' said scientist Professor David Vaughan. Think about reducing energy use-fit low light bulbs, turn off computer and TV when not in use.
