## Reflection:

This weekend we mark 'World Mission Sunday'. It is a time when we are asked to pray for those who work around the world bringing the Gospel message to others, especially in areas of difficulty, challenge and persecution.

It is a time when we are also mindful of the fact that we all have been called to be missionaries. It is our responsibility, indeed our duty, to preach the Gospel in our own neighbourhoods, among our friends and work colleagues and even within our family circle. If we are to do this well we must be people of continuous prayer, people connected to God.

It is not our words that will convince others of the sincerity of our faith, but our integrity. If we are to be good missionaries our actions must speak the Gospel message. Having accepted our own mission we can then offer sincere prayer to God for all those who work in far away mission fields.
