Parish Finance

Copies of parish income and expenditure for 2018 are available from the back of the church. This reflects the conclusion of the main work on the Parish Centre (including installation of lift, new kitchen facility, and refurbishment) and the greater part of the work on the Community Centre at Belmore Street (including car parking extension, new kitchen facilities, main hall upgrade and general refurbishment). We thank parishioners for their kind support and generous contributions, whether through the Planned Giving box of weekly envelopes or in other ways. You can take some pride in the extent to which you are enabling the parish to successfully revitalise itself to good effect. The refurbishment of Community Centre in particular has drawn positive comment. Together with our Parish Centre, it is once more regularly and fully used, enabling community groups and individuals flourish, thereby helping families in the town and parish area. Our Parish Churches continue to be particularly beautiful and to serve parishioners well for baptisms, weddings and funerals, as well as our regular Sunday and weekday Masses.

Please note that each single envelope of the yearly pack is planned and is purposely included to help the parish meets its overall needs and obligations both locally (white/pink envelopes) and at national/diocesan level (other coloured envelopes). The blue envelope contributions are for the support of the clergy and to defray other parish ministry costs. Furthermore, we thank all in the parish who give the benefit of their Gift Aid. If you are a taxpayer and wish to begin giving this important help (at no cost to yourself), please enquire at our Parish Office. We are also particularly grateful for any donations, legacies and bequests, which are especially helpful in supporting general parish renewal and maintenance work (Pink Envelopes). In this regard, kindly remember St Michael's Parish when making a will. In the coming year, please continue to help the parish each week (blue & white envelopes), most especially in regard to meeting our obligations regarding our diocesan levies (other coloured envelopes).
