The Season of Creation runs from the World Day of Prayer for Creation on September 1st to the Feast of St Francis of Assisi on October 4th. This ecumenical season invites Christians to pray with and for creation, to reflect on what is happening to our world at present and to discern where they are being called to act in their own lives and in their parish communities. The theme this year is 'Listen to the Voice of Creation' and takes the story of Moses and the burning bush as its inspiration: 'I have heard their cry... I know their suffering.... Come, now! I will send you...I will be with you (Ex 3: 1 - 12). Today the prevalence of unnatural fires are a sign of the devastating effects that climate change has on the most vulnerable of our planet. Creation cries out as forests burn, animals flee and people are forced to migrate due to the fires of injustice. On the contrary, the fire that called to Moses as he tended the flock on Mt. Horeb did not consume or destroy the bush. This flame of the Spirit revealed God's presence. This holy fire affirmed that God heard the cries of all who suffered and promised to be with us as we followed in faith to our deliverance from injustice.

In this Season of Creation, this symbol of God's Spirit calls us to listen to the voice of creation, to the voices of those who suffer the impacts of climate change, to the voices of those who hold generational wisdom about how to live gratefully within the limits of the land. These are voices of the Earth. The global Christian family is called to awaken to the urgent need to heal our relationships with creation and with each other and to encourage our parish communities to do the same, 'for we know that things can change!'" (Laudato Si', 13)
