Reflection - Praying with the Holy Spirit by Chris Wilson

The [Holy Spirit](#) can speak for us through the Scriptures. Try the following exercise that can help us to trust the Holy Spirit to pray in and through us.

Prayer Exercise: Come into a space of quiet. Become present to our ever-present God. Invite God to be with you. Become aware of your breath. The very act of breathing is an expression of the presence of God, who sustains our lives in this moment and every moment. Remember, in Hebrew, Spirit and breath are the same word, *ruah*. At our Baptism and Confirmation, God sends his Spirit to reside in us. As you sit in the quiet, notice how you experience the Spirit residing in you. Where in your body do you come to know the active presence of God? In your heart? Your mind? Your gut? Be aware of this truth: God lives in you by the Spirit, here, now. Continue for as long as you feel called to be in the stillness, aware that God is with you. What might the Spirit be praying in and through you? Set words completely aside. Listen

Deaths: *We pray for the recently deceased:* Antonio Altini, Aghnaskew, Maguiresbridge. *May he rest in peace.*

We also pray for the parents and family of Baby Oscar McGaughey and ask the Lord to comfort and console them in their sad loss.
