IS GOD CALLING **YOU** TO BE A PRIEST?

EXPLORING PRIESTHOOD

For some, it is a moment of discovery. For most, it is a growing awareness that develops over time. For all, it is a moment in time when an internal stirring suggests the next step toward a clearer focus on **"God's call in my life."** It is not necessarily a call to priesthood, but a call to consider the possibility.

This **"Come and See"** exploring priesthood retreat is an opportunity for Catholic men aged between 18 and 40, to meet priests and seminarians, to hear about how they heard their call, how they discerned what God was asking of them and what is involved being a priest and of seminary formation.

It will provide an opportunity to share with others like you who are at the early stages of exploring whether they have a vocation to diocesan priesthood.
